Lab Furniture

Organise compactor

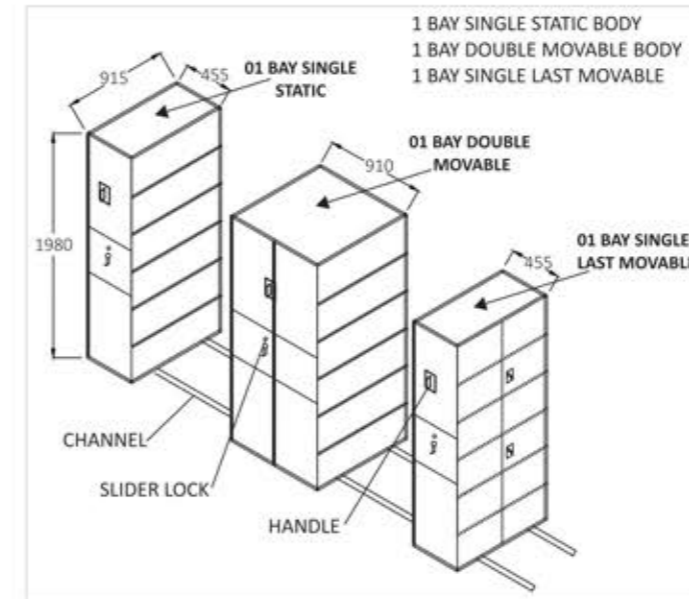

Mobile storage systems are three times more space efficient than conventional filing and shelving at half the cost.

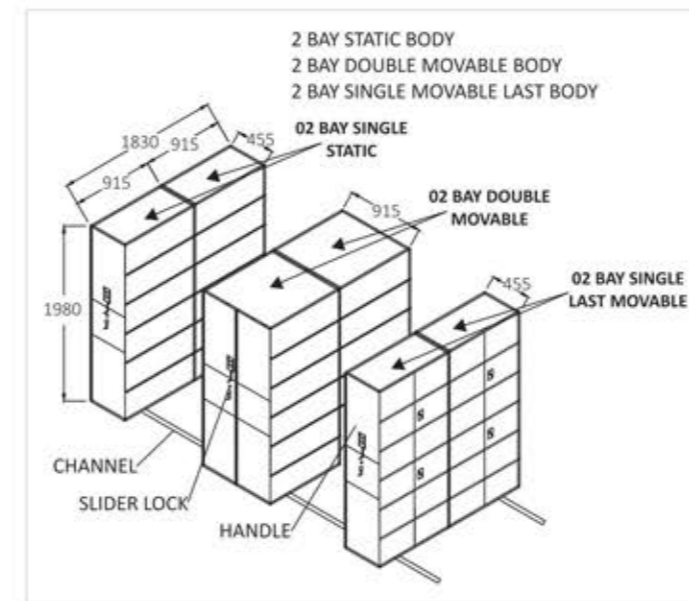

When storage needs outgrow available space, the problem usually tackled with a move to larger premises, an expensive option. But there is an alternative, you can increase storage efficiently with a mobile shelving system, that :

- A. Saves Money
- B. Boost Efficiency
- C. Improves your Working Environment

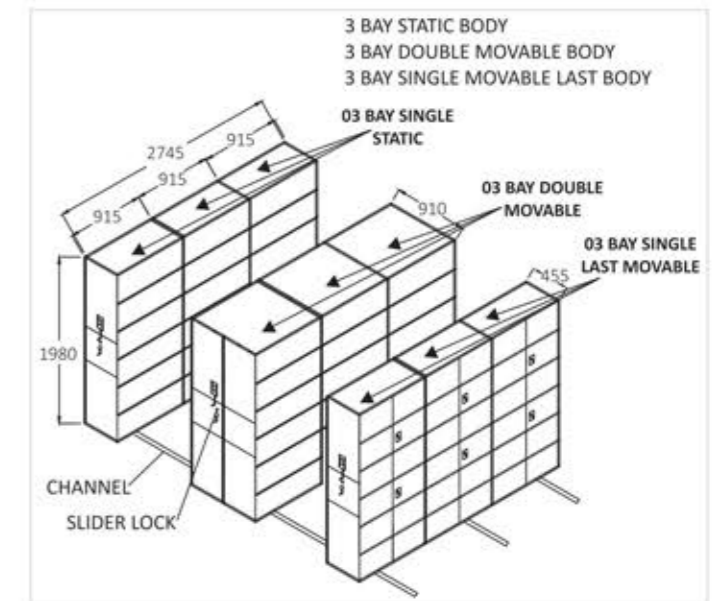

Optimize the space

ORGANISE-1

ORGANISE-2

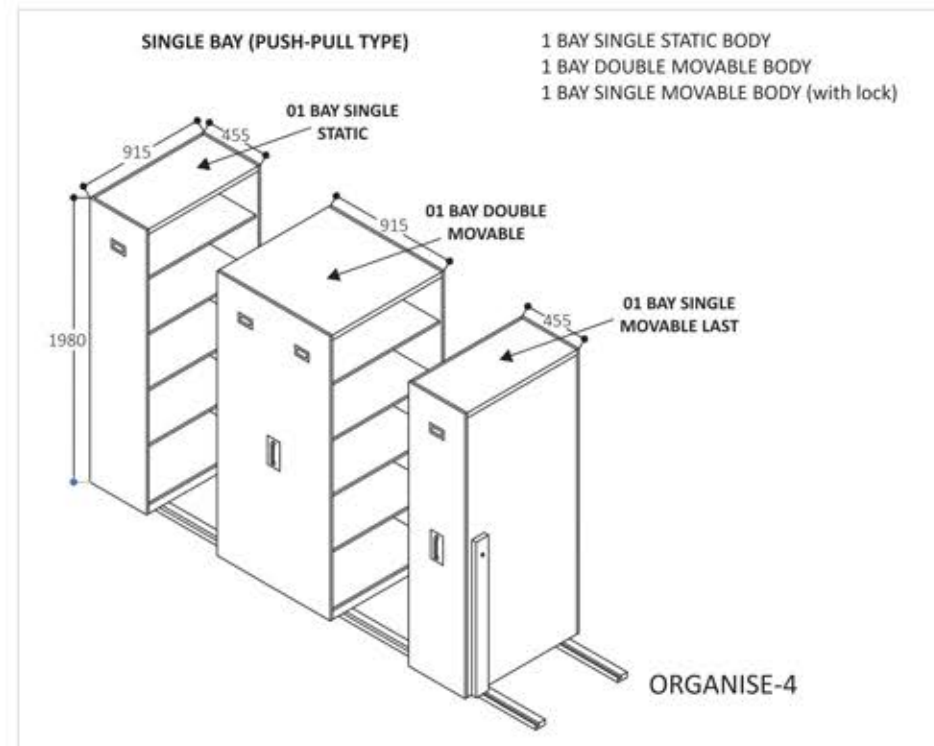

ORGANISE-3

Push Pull Type Compactors

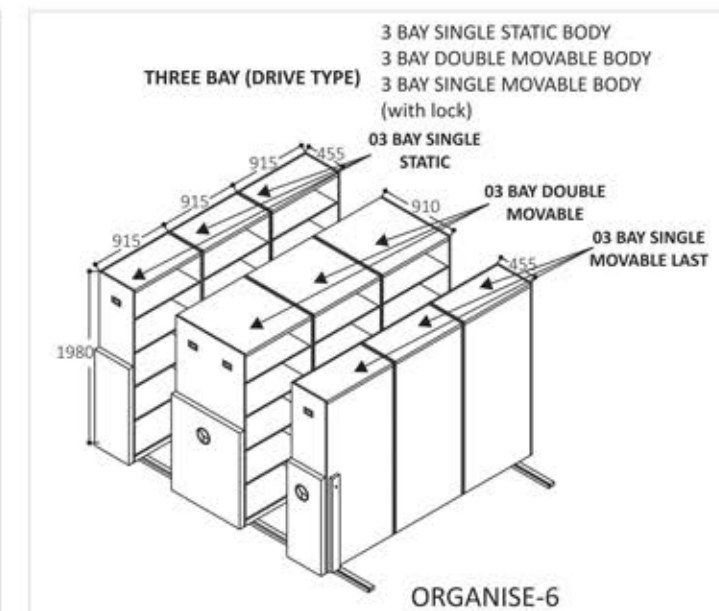

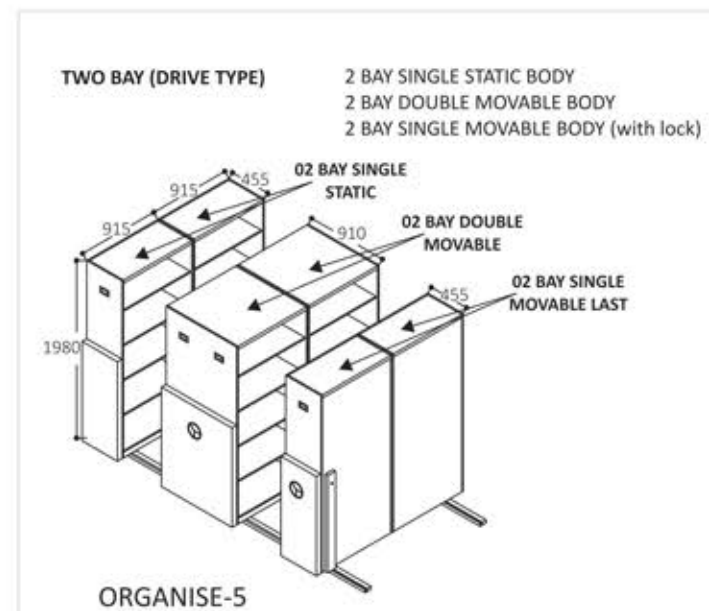

The system can be opened by pushing handles left or right. Ideal for smaller, low activity, limited-access storage areas.

Drive Type Compactors

The system can be opened by rotating ergonomically designed handles. Ideal for medium-sized storage systems with higher activity levels, heavier load factors, greater carriage lengths and a larger number of system ranges.

*The images of the compactors shown here are for reference purpose only, the actual product may vary in finish and colors.
